X- Move in closer to H. Run shallow through the heels of the DL.

Y- Pull Dig. Make the OLB turn his hips and chase outside to wall you off. Watch MLB for whether or not to sit in space.

H- Slot Fade up the numbers. You are the first read!

Z- Post. If it is 2 high, notice where the space will open up from the SS chasing the dig route. If 1 high, can run MOR.

QB- Progression: Slot Fade, Post, Dig, Shallow. Can change progression to Shallow, Dig, T Back (T must be on same side as dig in this case).
